

Enhancing the **McLaren ownership** experience

Sharing knowledge and experiences amongst **fellow owners**

Promoting a positive image of the **McLaren brand**.

Welcome

Join the fastest growing community of McLaren owners in the UK and get together with like-minded drivers of these amazing cars for meets, drives, tours, track days and more.

We are a community of McLaren owners across the UK who talk, meet and support one another to achieve an enhanced ownership experience.

By using a secure form of social media, we are able to communicate both immediately and conveniently with posts on a wide range of McLaren and car related topics throughout the day, each day of the week.

Fancy a drive out and meet with fellow owners? Then jump in on one of the organised meets or arrange something with other local owners. Want some advice about the car? Just ask away and someone will respond quickly!

The relaxed, informal approach to the group has fostered a friendly atmosphere and we encourage a light hearted and humorous approach at all times.

Our Background

Established in 2016, the UK McLaren Owners Club bridged the gap between internet forums and relative isolation for many owners of these fantastic cars.

A small group was formed and has developed into a nationwide club to give members a voice and presence which both supports owners and promotes the brand.

By providing support and guidance to each other, the club has grown through word of mouth to in excess of 350 owners across the UK, many of whom have enjoyed an enhanced ownership experience as a result of being part of our McLaren community.

Being able to communicate directly with hundreds of other fellow owners in the country is invaluable and will allow you to ask questions, share knowledge and discuss experiences quickly, gaining responses almost immediately.

Our use of a private Facebook group allows swift and immediate access to all that is going on in the UK McLaren community!

Talk freely with fellow owners and share ownership experiences 24/7.

Use the Facebook Apps on your phone anywhere, anytime.

Find solutions to common problems and issues in realtime.

Hear about new models and brand activities as they happen.

Get the lowdown on servicing, parts and upgrades.

Engage with fellow car enthusiasts.

Events

One McLaren on the road is a rare sight for many people, but being a part of a group of McLarens on a drive or meeting is a great buzz for any owner.

Our regional organisers frequently arrange localised events to get members together and create a good excuse for a drive, generally at weekends and often for a breakfast or lunch.

- ***Weekend Breakfast Meets***
- ***Regional Drives***
- ***Weekender Drives***
- ***European and UK Road Trips***
- ***Track Days***
- ***Meals and Dinners***

Additionally the club will arrange weekend and longer road trips to locations with superb roads and great scenery in the UK and Europe to extend the driving experience amongst members.

Throughout the year we also organise other social events such as meals, BBQ's and trips out which brings members together in various regions. Why not make your McLaren experience all the more enjoyable and join us for some memorable events!

Membership Benefits

We are always seeking additional ways of providing member benefits and as a club member you will gain...

- ***Access to our Private Online Community***
- ***Access to Members' Area of our Website***
- ***Access to Exclusive Events***
- ***Meet Fellow Owners at Regional Meetings***
- ***Gain Knowledge and Support***
- ***Technical Help & Advice***
- ***Member Discounts on Service, Tyres and Insurance***
- ***Friendship & Community***
- ***Regular Email Newsletter***
- ***An Enhanced Ownership Experience!***

Membership Requirements

Apart from the obvious requirement of being a current owner of a UK registered McLaren road car, we ask for visual proof by way of an image of a V5 document with both an owner's name and car type shown, or for new purchasers, we request sight of a purchase document showing, name and type of car (Address and financial details are not required).

We apply this requirement strictly to ensure to enable members to speak freely to other owners in private.

Visit our website at www.mclarenowners.org.uk for further joining instructions.
